despite having become marginalized on the map of contemporary art since the wars of the 1990s the regions of former yugoslavia continue to be a hub of creative activity especially noteworthy is the strong presence of women artists scholars and activists whose deeply personal yet highly political artwork is rooted in a long legacy of female artistic agency building on existing scholarship as well as original research this book highlights how female figures through art and exhibition making writing mentorship and activism have shaped the alternative art scene in former yugoslavia and placed the region firmly on the map of the international post avantgarde using the founding of the student cultural center belgrade in 1971 as a starting point the book details the

pioneering work of women in the realm of curation where they developed radical exhibition concepts and programs that furthered the development of the new art practice and embedded yugoslavia firmly on the map of the international postwar avantgardes it highlights the agency of female artists in the then novel realms of performance art video art and new media art and shows how their work has helped these disciplines to gain the impact they retain until the present day what is more it shows how female cultural workers have courageously used their work to further the discourse on gender sexuality and the female body and at a time when they saw themselves stripped of basic rights by the chauvinist nationalist regimes emerging after yugoslavia s breakup formed a strong artistic and activist opposition highlighting the role of women in the diversification of the ex yugoslavia states and its highly unique cultural and political landscape this book addresses the noticeable gap in art historical scholarship that exists not only around yugoslavia and its successor states but especially on its female representatives

special edition of the federal register containing a codification of documents of general applicability and future effect with ancillaries
